Health First

Help pave the way for the
Hospice of Health First
Hospice House.

*Two sizes of brick pavers
and commemorative mini
replicas are available!*

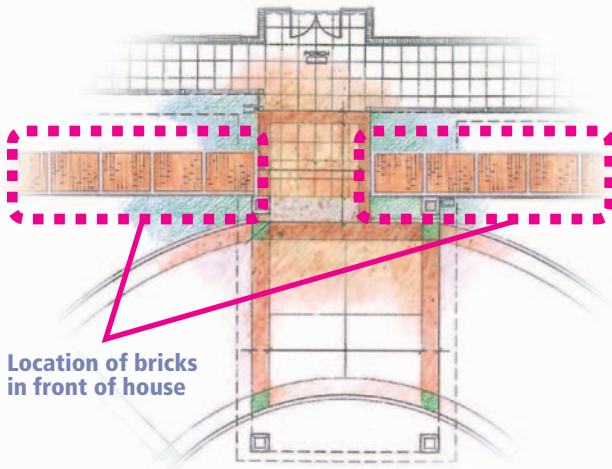

Engraving Information

- Three lines per paver / six lines per square brick
- 20 characters per line
(this includes spaces and punctuation)
- Please make sure your engraving information
is spelled correctly
- If you are sponsoring more than one brick,
please make copies of this form

A Step in the Right Direction

To help raise the funds to build and support the Hospice House, commemorative bricks are being offered. Each brick will be positioned in pathways surrounding the Hospice House. Your purchase of a brick not only assures that your loved one will have an enduring memorial, but also confirms your contribution in making the Hospice House a reality.

Brick Paver Information

Choose from two sizes of bricks:

- 4" x 8" Paver for \$100 or
- 8" x 8" Square for \$250

The square bricks come with a mini replica brick as our gift to you (additional mini replica bricks can be purchased). Bricks will be ordered in lots of 100 and will be laid accordingly. When your brick is placed, you will be contacted via mail to inform you of the approximate location of the brick.

Show the Community You Care.

As a family tribute or in memory of someone close, purchase an engraved brick paver. Your gift will be used to support the Hospice House. This year, more than 6,000 Brevard residents will die—many from cancer or other degenerative diseases. Spending their final days in the serene Hospice House setting can be the compassionate choice that you help make possible.

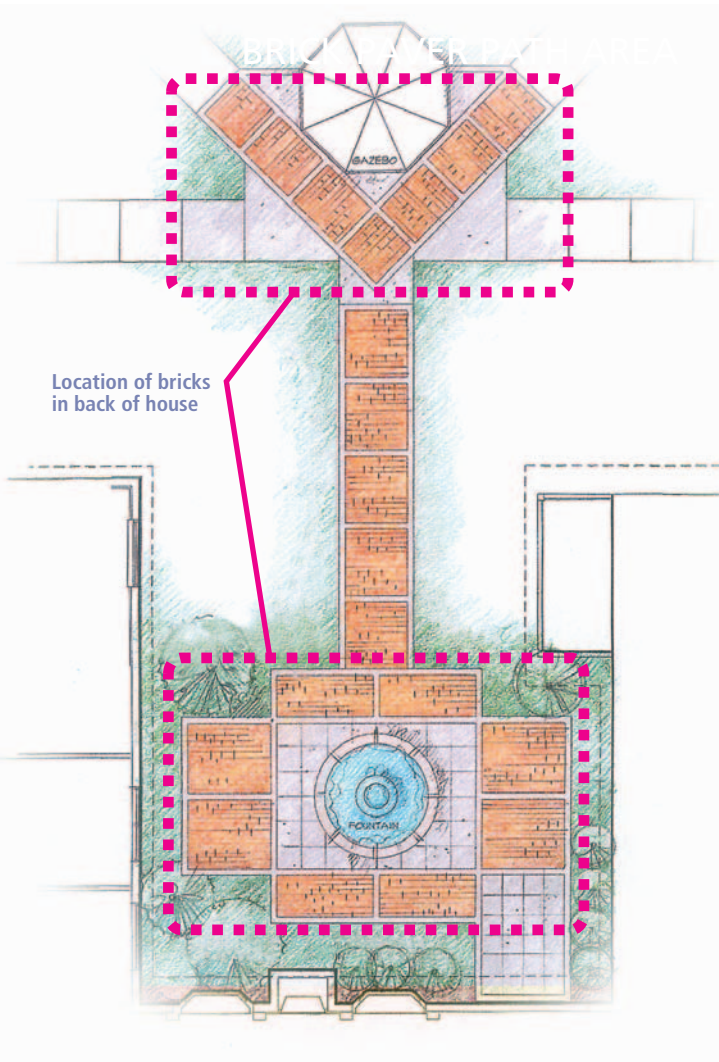

Brevard County's First Hospice House

Since 1978, Hospice of Health First has been providing home-based support to the terminally ill and their families. However, there are patients who for personal, financial or medical reasons find home care is not an option. For them, your support will help provide a comforting, loving place for their care.

Quality Care in a Home-like Setting

Designed to feel like a large Florida-style residence, the Hospice House will provide around the clock care from a considerate nursing staff and skilled hospice professionals. The five-acre property includes gardens, paths and serene ponds where patients will be able to surround themselves with friends and family or stroll the paths in peaceful reflection.
